5   Getting Ready for Class

Let's make sure you're prepared to join this week's Virtual Classes! You will have the opportunity to practice your new skills with your instructional team and ask any questions that you may have regarding this module's content.

Please be sure to download the starter files below and have them ready on your machine prior to class. You do not need to complete any of the activities prior to class time, but feel free to review the material ahead of time to see some of what will be covered.
